Section A (20%)	Section B (80%)
	Section C

Figure 1: Web page template

Include the following:

1. Create the page structure as shown in Figure 1. (10 marks)
2. Section B of the page has a color of #E4EEC8. The remaining area has a white background. (5 marks)
3. A sans-serif font style is used for the text on the page. (5 marks)
4. Include the navigational links as shown in Figure 1 on **the top** of the page. (10 marks)
5. Section A should include a list of products sold (e.g. Vegetable, Fish, Meat, Bakery). Use bullet points to mention the list. (5 marks)
6. Section B:
 - a. Insert the supermarket name as the heading. (5 marks)
 - b. Provide a small description as follows after the heading inserted in (a): (5 marks)

Enjoy Everyday Low Prices at Sri Lanka's trusted grocery retailer. We offer a wide range of products with prices matched online and in stores. It is a supermarket chain based in India and the largest in the country. The group has 100 supermarkets across the island.

7. Section C:

- a. Insert images of at least 2 vegetables sold by the supermarket. (5 marks)
- b. Give a description (name, quantity, price) for each vegetable shown on the page. (5 marks)
- c. Include a border around the image and description. (5 marks)
