ITE 1112: Visual Application Programming - Practical Exam

Time Allowed: 1 hour and 30 minutes   **January 2019**

PAPER 2

Answer all the questions.

1. Write a program to accept as input the student name and registration number, followed by the module codes and titles for the semester, continuous assessment weightage for each module, and the final examination and continuous assessment marks obtained for each module (out of 100 each). The output should be on a new form, which will display the student name and registration number, followed by a list of module codes and titles with the total mark and grade obtained for each, calculated as follows: **[100 marks]**

   - 90 marks or more – A+

   - 80 – 89 – A

   - 65 – 79 – B

   - 50 – 64 – C

   - 40 – 49 – C-

   - Less than 40 – F
